Jim,

Thank you for the DNR's review and consideration of the Clean Water Act Petition for Corrective Action, dated October 20, 2015. You were listed as DNR spokesperson in various media covering this Petition. I'd like in the near future to establish the best point of contact both at the DNR and EPA. Please advise as the DNR staff person(s) to whom I should address correspondence and other inquiries as we begin our collaboration on this effort. I appreciate your time and assistance.

Best,

***Tressie Kamp***
